

Collaborative 3D Model Viewing on the Web

Final Public Presentation

Alexandra Wörner, Dominik Studer, Ali Demiralp
Dev Sharma, Frederik Zwillling,
Adam Brunhmeier, Luca Liehner and Marco Dung
Group 2

Agenda

- 1 The Problem
- 2 Our Product
- 3 Economic Benefits
- 4 Our Customers
- 5 Competitive Advantage
- 6 Demo

The Problem

Expensive 3D Models

- First time purchase costs
- Breakable
- Maintenance costs

Restricted number of 3D models

- Physical models works only in class of few students
- Restricts learning in bigger classrooms
- Decreased learning for students

Our Product

What is it?

- First time purchase costs
- Breakable
- Maintenance costs

Key features

- Physical models works only in class of few students
- Restricts learning in bigger classrooms
- Decreased learning for students

Economic Benefits

Our Customers

Competitive Advantage
